

Richard "Rick" Stephen Pineau

November 7, 1947 - September 27, 2025

Richard "Rick" Pineau, devoted husband, father, and prominent business owner, passed away peacefully at his home in Easton, Maryland, in the early morning hours of Saturday, September 27.

Rick's entrepreneurial career began in the early 1970s when he joined his brother, Robert, at Roofers Incorporated, the company founded by their late father, Edward Pineau. He became president of the company in 1980 and quickly grew it into one of the most distinguished roofing firms in the United States. Under his stewardship, the company's portfolio came to include some of the nation's most iconic landmarks, among them the White House, Naval Academy, Eisenhower Executive Office Building, Pentagon, Smithsonian, and the U.S. Embassy in Uruguay. Rick was also involved in oil and gas exploration in Oklahoma and real estate ventures throughout the Mid-Atlantic.

One of Rick's proudest accomplishments was creating a training program for incarcerated men in Baltimore City. Upon release and successful completion, participants were given the opportunity to join his team at Roofers Incorporated. Rick also found deep fulfillment in his longtime service on the Board of the R Adams Cowley Shock Trauma Center.

Outside of work, Rick enjoyed traveling, golfing, hunting, and spending time with his family and beloved dog, Oz.

Rick is survived by his beloved wife of 40 years, Anne Frances Pineau (née Donadio); his children, Stacey Pineau, Courtney Pineau (Jeffrey Bos), Stephen Pineau, and Alivia Pineau (Geoffrey Hunt); his grandchildren, Sophia Laws, Matteo Bos, and Samuel Pineau. He was the cherished brother of Susan Pineau Dimling. He was preceded in death by his brother, Robert Pineau, and his son, Jason Pineau.

Rick's memorial will be held on Tuesday, October 14th at St. Peter and Paul Catholic Church in Easton, Maryland. There will be a visitation at 11:30 a.m., followed by a Funeral Mass at 12:30 p.m. A reception will take place after the service.

In lieu of flowers, the family requests donations be made to the R Adams Cowley Shock Trauma Center, in recognition of their enduring commitment to supporting lifesaving care and innovation.

“ *I can remember as if it were yesterday the first time Rick and I met. It was 65 years ago on the first day of school in the 7 th grade at Woodbourne Jr HS
He and I were the only boys wearing a tie and we both noticed that we were each wearing a tie from Frank Lennord's men's shop which was located on York Rd at Rosebank Ave next to the Senators movie theater
We became fast friends and have remained so for 65 years*

Reading this notice, I'm remembering working with Rick and Walter and few years back representing them in the sale of a property they owned. He was so kind and easy going and called to stay updated and familiar with the market. He was a pleasure to work with and to know. I'm so sorry to hear he passed

EP

There are few in my life I would call my mentor. One of those people was Rick. He took time to teach me skills and I learned a lot from Rick. He once called me a rain maker and believed in me. If that's the case, Rick brought the monsoon. He wielded tenacity, in the most polite and respectful way, like no other. If it was in his mind's eye, it was going to manifest. I coin the phrase "polite tenacity" after Rick, and daily I teach that skill to others. I used to wake up and see a 4:30 am text from Rick stating, "Are you awake yet Bud? Early bird gets the worm". He was always earlier. I find solace knowing Rick is watching over us. My condolences to the Pineau family.
