“ Dear Lynn and Family-- I was so shocked and distressed to hear about Rick's passing. I fondly remember the "old times," when we would all get together--usually at your house-- with assorted kids and animals. He was always friendly and congenial. My thoughts and prayers are with you all--

“ I had the honor of knowing Rick over twenty-five years ago when we were both actively involved with the Jaycees. With Rick’s leadership the Bay Bridge Jaycees raised funds and public awareness which ultimately lead to the creation of the Kent Island branch of the Queen Anne’s County Library. I know he will be missed by his family and friends. My prayers are with you all.##imported-begin##Brent Spicer##imported-end##
