Tribute Wall

“ I will always Mr. Davis and the rest of his family. He became very close to us when we lived on the farm one over from his. He and his lovely wife and children became extended family for us, even became Godparents to us. I still have the lovely ceramics given to us when we lived there. I traveled back in my 30's and Mr. Davis took me out in his boat on the Chester River crabbing then taught me how to crack the shells and eat them. Lasting memories in my heart and mind. My deepest sympathy and condolences.
