“ *Throughout my childhood, I attended school and church with Harry in Oak Ridge, TN.
He was always so nice and kind to EVERYONE. I especially remember an incident when he went out of his way to be kind to me and I've never forgotten it.*

I haven't seen Harry since high school, but I've been so very proud knowing of his accomplishments in life.

I send sincere condolences to all the family, with special thoughts and prayers for his mother at this time.##imported-begin##Judy Robinson Barnard##imported-end##
