“ 40 years ago a bunch of us young bucks joined St. Michaels VFD. While Robby was in Easton VFD we would have drills together like control burns. Robby was always cool and kind to us new guys. He was an inspiration for new firefighters, someone you'd want to be like. We stayed in contact for 40 years. He even visited me at my career station when he was in Ft Myers a few years ago. RIP Robby. Thanks for the inspiration.
