“ *Joanne and family, so sorry to hear of Bob's passing. I know memories will comfort you and keep him in your hearts forever. He is probably smiling down at us now singing "Earth Angel"...what a beautiful memory!*

With love and prayers... Cathie, Bob and Scott

“ *Sad. I spent many happy hours on the water with Bob, some of my most meaningful in life.*

“ I am so saddened by Bob's passing. I remember visiting his house when he and Larry were very young. There were kittens in a corner of the basement, along with a train setup on a table. I was completely fascinated. Also, much later on, I have wonderful memories of two family barbecues at his amazing houses. Although we hardly saw each other over the years, I will always miss him and his/my family and keep him in my heart.
