

Robert Thomas Bryant

May 27, 1941 - April 1, 2025

It is with profound sadness that we announce the passing of our beloved father, Robert (Bobby) Thomas Bryant, who left us peacefully on April 1, 2025, at the age of 83. Bobby is survived by his son Robert (Joey) Joseph Bryant, daughter Lisa Bryant, sister Barbara, grandchildren Aaron, Jordon, Heather, Joseph, Jessica, Petie, and Hanna. Preceded in death by daughter Rosalie, stepbrother Denny, sisters: Jane, and Diane, grandson Ryan.

Bobby served in the Navy as a young man, after the military, Bobby became an auto mechanic. A few years later he purchased his first Sunoco Gas Station & Repair in Camp Springs, MD in the mid-70's. This was the first of the five Sunoco Stations he successfully owned and ran for many years.

Bobby retired in Deale, MD where he ran the last of auto repair shops. He was a real character and most of you that read this will be able to remember immediately an incident you recall involving Bobby Bryant, which will put an instant smile on your face. Boy had his routines, we would see him riding around town, visiting BB&T, Keno at Park's, Christopher's etc... many knew his route.

Bobby loved boating on the Chesapeake Bay, eating crabs, local "watering holes". He enjoyed ALL of his friends, telling stories or just stopping by to see who was doing what inside their garage. He loved to drive fast no matter what

or where he was driving. A Celebration of Life will be held this summer in Deale, MD, details will follow.

The family has requested no flowers or donations. Bobby would want to keep it simple. Bobby would want to be remembered for the joy he brought to us in life not the sadness of his passing.

“ When I first started using Deale service center, I shared this story with all of my friends up in Bowie and beyond. I told them I found Mayberry RFD live and in person. I went to a gas station and I had to step over a dog to get in the door. I then observed a kindly old man with a lit cigarette hanging out of his mouth drinking a Michelob ultra. Next thing you know he’s telling stories as I’m sitting in the front office drinking a Michelob ultra with him. It was at this point I knew this was my new gas station repair shop. Rest in peace, Bobby.
