

## Robert Alexander Cameron

April 1, 1991 - April 24, 2017

Robert “Robbie” Alexander Cameron, 26, died at his residence on Monday, April 24, 2017. He was born in Winchester, England on April 1, 1991, son of Norris E. “Chirp” Shannahan and Anne Freestate Shannahan of Easton.

Robbie was a graduate of The Country School and Easton High School where he learned to play the drums and became an avid drummer. He loved boats and, when he was very young, he was often spotted flying around Boone Creek in his skiff and checking in with all his neighbors. He was also a collector of antique outboard motors. One of his proudest achievements was the completion of a three-week Outward Bound canoe/camping course in South Carolina. He competed in cross country running and ran in the annual “Run for Hospice” to honor his grandfather who had passed away while at Talbot Hospice. Robbie loved helping people and was known for stopping to help to change a flat tire or jump a dead battery. He was Pizza Man Extraordinaire, driving thousands of miles making deliveries throughout Talbot County.

Robbie was quite the entrepreneur; he loved buying cars and fixing them up in his own automotive shop, “After Hours Auto.” He attended car auctions all over Delmarva looking for the perfect car.

In addition to his parents, Robbie is survived by his maternal grandmother,

Shirley Freestate of Easton; and aunts and uncles, Mark & Diane Freestate of Centreville, Mary Carol & Pete Gregory of Royal Oak, Eleanor Shannahan of Washington, DC, John & Mimi Shannahan of Oxford, Mollie & Art MacAdams of Grasonville and Patrick & Jennifer Shannahan of Davidsonville. He was preceded in death by his maternal grandfather, William M. Freestate.

A graveside service will be held on Sunday, April 30, 2017, at 1:30 PM at Oxford Cemetery.

In lieu of flowers, memorial contributions may be made to Camp Wright, 400 Camp Wright Lane, Stevensville, MD 21666.

“ *Robbie spent significant time beneath our house looking at old motors. We admired his dedication - who else would wriggle through a crawlspace in search of outboard engines?! That was Robbie: a smiling, curious, energetic boy who loved the water, gadgets, and figuring out the unknown. We shall miss him.*

“ *Robbie was such a fun and outgoing person. Robbie was my first boyfriend in high school. I remember him coming to pick me up from Annapolis in that old ford "exploder" as he would fondly call it. He truly felt deeply for himself and anyone he came in contact with. He was one of the nicest and biggest goobers I had ever met. I am lucky to have reconnected with him in the last few months before his departure. I am so sorry this community has lost such an amazing person.*
