“ *So sorry for your loss, was thinking of all the shrimp salad sandwiches Bob and I shared at Casa Mia's all those lunches while working at the post office. It was never the same after he retired. Rest in peace, Bob

I worked next to bob and I also ate lunch with Skarda and Bob. I will never forget how he was treated by Mgt when he stopped by for a visit and was told not to come back because he caused a disruption. How cruel the post office was to him after all the time he spent there. I miss Bob from the breakfast we had after retirement. Bob is greatly missed.
