In addition to his parents and his fiancée Deirdra from Wilmington, DE, he is

survived by three sisters, Sandra Kay Dulin and husband Glenn of Sudlersville, Debra Lynn Krohn and husband Michael of Wixom, MI, and Melissa May Blackiston and husband Robbie of Sudlersville; four nieces, Crystal Killen, Monica Stant, and Gretchen and Abby Blackiston; two great nephews; Tyler and Jaxon Killen; and his best friend, Dan Reece.

Funeral services will be held on Thursday June 16, 2016, at 11:00 am, in the Hall at the Sudlersville Volunteer Fire Co., where friends and family may call after 10:00 am. Friends and family are also invited to join the family on Wednesday evening from 5-9pm at the Sudlersville Volunteer Fire Co. Hall.

What a loss for your family and the entire community as we say goodbye to "Big Red" as he was lovingly known. Our hearts ache for you but know that God will sustain you. He will always be known as such a nice guy with a big smile and a great sound as he proudly played his horn. What a handsome picture of him in his fireman's uniform. He selflessly dedicated his life to serving others. You are in our thoughts and prayers Ann and Bob Campbell and family*

“ Reds is how I knew him, we had fun times at QACHS many years ago. We would always have competitions in band on Who was the better percussionist. Reds will be missed my friend

Robert Miller - June 10, 2016 at 01:13 PM

Jessie West

We had some fun times during band but when the moment called for seriousness, you could count on that from Reds too. I remember during our summer band camp, I had almost passed out from the heat and the nurse on staff thought my blood sugar had dropped. It was Reds whose instincts told him otherwise. While the nurse was trying to get me to eat, he kept arguing with her and ended up calling 911 himself. The paramedic who luckily was my aunt, knew right away Reds was right and covered me in ice packs to bring my body temp down. I will always remember his caring and loving spirit as well as his quick witt! We had some good times in band! He will be missed.

I will share the fondest memories that I have of Mike were when we were in church together as little kids.

I am thankful that I got to know him and that we were able to be friends. I have never forgotten about Mike and always prayed that he was doing well and was happy.

I am so sorry for the family, we thought a lot of Mikey and he was always welcomed at our house. He and Michael had been friends for a long time and Michael was in his wedding. He always knew how to make you laugh and I know he enjoyed life to the fullest. We will miss him even though we hadn't seen him for a long while.

“ Oh Mikey, just where do I begin. My heartbreaks at the loss of you. You were one of a kind and special on so many levels. You were a great friend and always had a big hug when you saw me. Those nights we spent in Mayberry sitting around, Greensboro parade, Ocean City, and all of those times in between. You impacted so many lives and the legacy will live on. You lived your dash to the fullest. Now rest easy my friend.
