“ *We so loved Bob and remember good times at the Beach and our homes. He had a special relationship with our deceased Pitbull, Ash. He was so excited when "Uncle Bob" came to the house. Joe many men visit a dog recovering from surgery or to say goodbye in his last days? Not many, but then few men are like Bob. From fixing my oven door to consulting Nick on home improvements, Bob was always there. Miss him, already. Barb, your friendship is exceeded only by your love, devotion and sacrifice to make Bob's illness bearable.*

*We thank Bob for his patriotic service, his sheriff service and for his friendship. God speed Uncle Bob, Ash is waiting for you with his ball. Love, Sally and Nicky*

“ *Sending thoughts and prayers to Barb, Kristin and Jamie. Bob was a great man and mentor to me, especially after my father passed. I will always remember his smile, laughter and his sense of humor. I could always rely on his advice about being a contractor, or life in general.*
