“ I have many memories with Robbie at my house , his house on Horseshoe watching football games & Superbowls. Ironically, last time at his house we all watched it with he & friends at his house the Seahawks played in 06! On his Charter boat..not from around here and an easy target.....or even familiar myself with the water of the bay..I completely amused him because I never new "corn" grewn so close to the water.....Needless to say....its Marsh and he laughed his hiney off and again again everytime he saw me!! He was ALWAYS FULL of JOKES!! I moved to NC so I wasn't able to see him....spoke to him on the phone a few time! Im genuinely going to MISS HIM!! MY family just loves him!! Everytime, we even make Rockfish we speak of Robbie! (: May his gentle, kind, sincere, soul Rest In Peace!! I love you Robbie!! My deepest, sincerest sympathy and condolences go out to his family and friends!! Robbie was LOVED by many and had a Great personality!!!

“ *Little did I know that day you walked into the Shanty that we would spend the next and best 5 years of my life together. I was always so proud to be by your side. We shared many great times together. We were young and having fun! And boy did we.... You and your family welcomed my son and I like we belonged there. You all always made us feel so comfortable and loved. So many memories and pictures to go with them with that "I'm up to something" smile of yours. You are an amazing man, unrivaled by any. Deeply and forever loved, I'll eternally cherish the times we had together.*

I remember Robbie from Love Point Park...playing Soccer and Lax with my boys. and later when he came to my place to hunt...He was very polite and so helpful. And always made me laugh. He will be missed.

I am so sorry about Robbie. I did not know him but heard stories and saw the love his mom had for him when she would talk to me at the doctors office.

My heart goes out to the family of Robbie but he is in a great place now as Sue knows I have to believe that.
