“ *I first met Bobby, when Will and I were performing at the Andrews Air Show back in 2003. We tried and tried to figure out a way to get him inside our aircraft. We tried everything until the Air Force told us to stop. I had the wonderful opportunity getting to know him and his wonderful parents that weekend. My family had the opportunity to meet Bobby during the 4th of July Crab boil two years ago. He showed us around his home and told some stories about Will that I never knew (I'd say he ratted him out.) I like to say they everyone's life is a culmination of people they meet "along the way". I'm not sure what mark Bobby left with me; I only know, that in some way, it made me a better man. We are so sorry to hear about his passing; and we send our deepest sympathies to the entire Kingsbury family. Kenny, Laura, and Angela Szillus*

“ I remember well fixing Bobby a 'salad' sandwich and a taste cake when I baby-sat him. I am sorry I didn't know him as an adult, but the video shows him being a happy man. My heart goes out to the family in their loss. Sincerely, Bernese Culhane Todd
