“ *Bob was a great inspiration to me and a large reason I stayed in accounting. He always took the time to explain to any of the new accountants. His clients loved him and he was good to them. I will miss knowing I can pick up the phone and call him when I need a talk. Rest in peace and I will be thinking of the family.*

“ *Bob was a friend since Kiwanis days. He was also our accountant and tax advisor. It broke my heart to see Bob go from mobility with a wheelchair to being bed bound. He always had a positive outlook and took everything in stride. You were a Blessing Bob and now you are "whole" again. Our sympathies to Bob's family. Jack & Fran (Elliott) Taylor*

“ *Linda & I will miss Bob, He took what life tossed at him and had the fortitude to struggle on with few complaints. He was a class mate who was a leader on the football field and the class in general. A truly good guy.*
