“ I am very saddened about the passing of uncle Bob. The first thing that comes to mind is that I can't ever remember Uncle Bob not being in a good mood and not having a smile on his face. More than anything, I remember his huge and infectious smile that would light up any room.

Like cousin Terry and my brother Rick, I too have so many fond memories of all the Christmas Eves in their beautiful home on Greenly Street and the huge crab fests in their backyard.

He was an amazing man who we all loved dearly.

Unfortunately I, too, can't make it to today's service. I'm looking forward to seeing everyone and celebrating his life in late July.

“ Oh I remember that old Starcraft pop-up camper. Aunt Pat and Uncle Bob would snatch up Patrick and I and take us wherever for the weekends. I remember the one trip starting out and making our way down to the Outer Banks then before you knew it we were up in skyline drive in the mountains and it was snowing away. I consider Patrick and myself extremely lucky to have been part of that care free life. Ohhhh, there are so many stories that I remember. What a fun childhood I had with Uncle Bob.

“ So many fond memories of so many parties in the basement on Greenley Street. Crab feasts in the backyard. Uncle Bobby always had a smile on his face. He and Aunt Pat always made a point to visit me and my family during their annual trips to Florida. Uncle Bobby will be missed. Rest easy Uncle Bobby. Love, Terry❤️💜💙

“ Uncle Bob was a great man, everyone loved him. I always looked forward to their road trips to visit us in Florida. I am deeply saddened by his passing, but so very grateful to have spent such great quality time with him and Aunt Pat over the years. Elements beyond my control prevent my attendance this weekend (COVID). Better to be safe than sorry. Looking forward to July 30, 2021. A family get together in memory of Uncle Bob.

“ I'm so sorry to hear of Bob's passing. I met Pat and Bob at the Kent Island Elks Lodge. We always had fun at the July 4th Fishing Derby. I enjoyed serving Pat and Bob Wings at the Elks when they came in. I have many more fond memories of this lovely couple .I can remember Bob telling me about his career while at the Elks. He will be dearly missed by many. My thoughts and prayers are with you Pat and all of your family.

“ There are so many wonderful memories spent with Uncle Bob and Aunt Pat and the entire Mc Quin family. Dancing, eating, drinking and tons of laughter. Although those times have become memories for us, I pray Uncle Bob is in Heaven celebrating with his brother and sisters. You are all sorely missed and loved ❤️

I was so saddened by the passing of my Uncle Bob, but glad he didn't have to suffer any longer, also because I was able to be with him and see him the day before he passed. I have many wonderful memories of Aunt Pat & Uncle Bob on Fawcett St. and Greenly St., vacations to Nags Head, surf fishing with Russ and Uncle Bob. We had so many great times. I will miss him terribly but am sure he and Russ are fishing somewhere in heaven. I love you My Uncle Bob.
