“ *Bob became friends with my mother at their assisted living facility. My husband, Skip and myself, Beverly laughed a lot with Bob as he would tell us tales of his childhood. He was quite a gentleman and host at his age of 89. His spirit was always a joy to be around. We (Beverly & Skip) were able to visit him one day before his passing; another one of God's children are now rejoicing in Heaven. We have pictures of him in January 2017 , if you'd like to see them.*
