“ My deepest heartfelt sympathy to the Middleton family. Big hugs to Ms. Roberta, and to Maryanne and J.C. Lewis. I am so glad to have been able to reconnect recently with Mr. Bobby and Mrs. Roberta. I have the utmost respect for all of our MSP, especially Mr. Middleton and the MedEvac system that he was so passionate about, and that saved my life in 1982. God Bless him. He is running circles around everyone and flying high again now. He will be watching over his family. Peace to all of you. xoxo

Uncle Booby was one of the most kind and sweetest people I have ever met. He loved his family and was always willing to give hugs whenever you saw him. His commitment to the MSP is truly admired and something he was extremely proud of. I am honored to have had him in my family. Rest Easy Uncle Bobby! Keep those Middleton's in order up there!
