

Robert Taylor Morelli

March 25, 1991 - May 24, 2014

Robert Taylor Morelli of Stevensville, MD, died on May 24, 2014. He was 23.

Born in Easton, MD, on March 25, 1991, to Robert Morelli and Renee Taylor Morelli, Robert graduated from Kent Island High School in 2009. Rob loved his job at AutoZone where he got to help customers with questions about their cars and help with the small repairs always with a smile; to him this was something he loved, not a job.

Rob loved to travel, going to Hawaii, Alaska, Germany, Mexico, Korea and Japan along with many lower US states. Robert was not scared to try anything. From cave exploring to climbing mountains, Robert was scheduled to go flying in an old war plane in the next couple of weeks. Rob lived his life to the fullest. His love of life was working on cars and motorcycles; his friends always had a mechanic any time of day without cost. If Rob did not help you in some way, you did not know Rob!

Robert loved his mamma more than anything in world.

In addition to his parents, he is survived by his sisters, Kim Drake Kimball of Carbondale, IL, Anna Drake of Edgewater, MD; brothers, Brian Drake of Mattoon, IL, Michael Drake and his wife of San Diego, CA, Timothy McCleary of Fairbanks, AL; and maternal grandfather, William Patrick Taylor of San

Antonio, TX.

Robert had many aunts and uncles and was also an uncle to many nieces and nephews.

A visitation will be held on Friday, May 30, 2014, from 6-8 p.m. at Fellows, Helfenbein & Newnam Funeral Home in Chester, MD. A graveside service will be held on Saturday, May 31, 2014, at 11 a.m. at Stevensville Cemetery in Stevensville, MD.

In lieu of flowers, donations may be made to Adrienne Lowe-Lund Pet Rescue at 703 Love Point Rd, Stevensville, MD 21666.

“Mr. and Mrs. Morelli,

I'm so sorry to hear of Robert's untimely passing. I have many fond memories of him in my 5th grade class. He was always so sweet and caring to all of his peers, and he loved telling all of us jokes. I still remember the "Rattlesnake Eggs" he made and sold for his Market Day project. God bless you and your family.

“ *I, too, taught Robert when he was in 7th grade. I remember him as such a unique and "cool" kid. He was nearly always upbeat. He approached things with the eyes of a child. He was curious and super creative. Robert was always finding ways to make things more entertaining for himself and those around him. He often made me smile with little gifts of Coca-Cola and candy from other countries along with his wonderful sense of humor. He is certainly a student that stands out in my mind. While I will miss seeing his shining face, I will always have a special place in my heart for Robert.*

Much love and prayers of strength to his loved ones.

“ Dearest Renee and Bob,
Our hearts and prayers go out to you and your family. We were deeply saddened to hear about the tragic accident. We have fond memories of Robert growing up next door in Cloverfields. He was such a happy, friendly child. I still remember you calling me from Easton Hospital when you were in labor with him- we always laughed about that.
We didn't know Robert as a young man but it sounds like he did what he loved and was happy for it. We can only pray that your wonderful memories of Robert, will in time, ease your pain. Please tell Anna and Timmy that we are thinking of them too. We didn't know your other children but always remember how fondly you spoke of them and how proud you are of them all. Please accept our sincere condolences.

“ *I fondly remember Robert from seventh grade. He was one of those special kids who would light up a room, and as his teacher, I would never forget. I was so very saddened to have heard the tragic news. I had the opportunity to meet Robert again after many years. He was still the kind and always smiling person I remembered. He brought a lot of happiness to many during his short time here and will no doubt do the same as he continues on his journey.*

“ *Robert was a very nice friendly young man. I enjoyed seeing Robert growing up. Recently, Robert helped me with a purchase at Auto Zone. Robert was so polite and helpful. I will miss him working on his car, go carts, jet skis and all the other projects. The driveway will not be the same. God has a good young man with him to help him when his hippie peace VW Van breaks down.*

“ I had the pleasure of teaching Robert in elementary school. He was the kind of kid you remembered . Great kid!! Just this past fall I had another chance meeting with Robert. He was kind enough to take my picture so that I could send it to my sons who were currently deployed. Robert will always be remembered .

“ Robert was such a kind and friendly person. I still remember how kind he was to me when he was in kindergarten or first grade and I was a new mother somewhat new to the neighborhood. I would sit outside on a blanket with my daughter near the border of our two properties, and Robert would regularly come over and keep me company and play with Olivia. Robert had an awesome sense of humor and caused us to crack up quite a few times. He was always friendly to our family, and we will always remember that. Rhonda
