

Robert Charles Oliffe

October 11, 1942 - January 4, 2023

Robert C. Oliffe (80) of Ft Lauderdale, FL, passed away on January 4, 2023, at a Florida Cleveland Clinic Hospital after several weeks of battling a serious, rare, and unexpected blood condition known as aplastic anemia.

Robert, otherwise known as Bobby, was born to Joseph and Harriett Oliffe on October 11, 1942, in Chestertown, Maryland.

A member of Chestertown High School Class of 1960, Bobby always had a love for farming. Raised on Andelot Farm in Worton, MD, his agricultural career began early on with relatives in Kennedyville, MD.

He later returned to Andelot as an employee, like his father before him, continuing his career there for almost 40 years.

Annually, without fail, he had an expansive and successful vegetable garden and enjoyed any type of yard work. In later years, he traveled a variety of places, one of his favorites being Sanibel Island on Florida's west coast.

Bobby was preceded in death by his older brother, Joseph B Oliffe, Jr. He is survived by his daughter, Shari Medina (husband, Guido) and Karen Oliffe - all of Annapolis, Maryland; his sister, Joyce Oliffe of Newark, DE; as well as his partner, Polly Tarbutton of Chestertown, MD.

Services will be held on Friday, January 13 at 1 p.m. with a public visitation from 12 p.m. – 1 p.m. at Fellows, Helfenbein, and Newnam Funeral Home in Chestertown. A graveside service will follow at Kennedyville United Methodist Church, 12008 Augustine Herman Hwy, Kennedyville, MD.

In lieu of flowers, memorial donations can be made to Aplastic Anemia and MDS International, 4330 East West Highway, Ste 230, Bethesda, MD 20814.

Thinking of you

“ It has been almost a year since I had to put you into hospice only because you were dying a horrible death and you did not want any pain. I hated doing that because it took you so long to die. Then the horrible behavior of your daughters. I know that you told them to let me live in the condo and that you told them to give me the Mustang. But they were both such money grabbers they did nothing you told them. Karen you even told Terri that you would give me the car. Until his first morphine breath Bobby told me that upon his death I would be "well compensated". What a farce when it came to having the two of you go completely against his wishes. He would be ashamed by your rotten cruel unfriendly behaviour.

“ *Today Bobby and I were to be in Chestertown to find out if we could move back full-time to cold weather. Now he is in a cemetery here after an horrific death from a plastic anemia. I miss him tremendously and the social familial conditions are awful. I lived in Florida with him for over 13 years and he was in Maryland half a year to have a big vegetable garden and help me with craft shows. What a terrible waste of a good man.*

“ We are supposed to be at freeport grand bahama today on another margaritaville cruise. Then we were coming back to Chestertown next week to see if we could handle the cold weather and move back here permanently. Florida has gotten too crowded with horrible traffic. It is much easier going to dover or rock hall to go out to dinner

Your last month was filled with doctors tests transfusions and infusions. I saw most of this happening and I asked hundreds of questions to no avail. You were very brave while awaiting results of a diagnosis which was unbearable. I miss you such because I love you so much. Hopefully we will meet again on a rejuvenated sanibel to go walking and shelling again. I love you Bobby honey baby

“ Sincere condolences to Polly and to Bobby's family and friends. I remember Bobby when I was growing up because he was related to my Uncle Duce and Aunt Edith. Throughout the years he was smiling and seemed happy to see our family. So sorry to hear he had a very sad ending. May the memories of the good times comfort you.

“ *Bob has always held a special place in my heart since I was a little kid. He was like a second dad to me and you never saw him without a smile on his face even when we spilled bright red spaghetti sauce on the light colored carpet in his condo. He was such a kind and genuine soul. My heart aches for his family, friends and loved ones. Praying for those that held him dear and close.*
