“ *Sending prayers and hugs to the family. We have known Pack for a long time. Will always remember his smile and that twinkle in his eyes. He became our racing crew and biggest fan. It won't be the same without you partner. You are in Gods hands now with no worries and no pain.*

*Love you always,

“ I miss you Bobby. So hard to believe less than two weeks ago I got one of those big bear hugs and got to see that little smirky grin. I only had the pleasure of knowing you for three short years but from the moment I met you it was as if I knew you forever, you always made me feel special. Whenever David and I would get to Chestertown, whether it was to pick up the boys or to drop them off, your place was always the first place we would stop. Seeing your eyes light up to see us and always always making us feel so welcome. Thank you for being so special and always so good to us. I am so going to miss my favorite couch in Chestertown. Keep a watch over us and I will think of you often. God bless my friend. Love you 😊
