“ *My thoughts and prayers go out to all family and friends of Evans. I have many memories of Evans, one of two true childhood friends I had growing up in foster care. You never made me feel as though I never fit in anywhere. You and your parents always made me feel welcome. I had a chance to thank you several times over the years, even though in typical Evans fashion you said you didn't do anything. I heard of your passing from my other true childhood friend Robert "Bobby" Townsend. Over the years as lives move on and everyone goes in different directions, I have never forgot your kindness. You were a kind and gentle soul always ready for a laugh and to lend a helping hand. You will be missed.*

“ POP, I wasn't given the chance to tell you goodbye in person, but I would not have said goodbye. I would have said " save me a place in Heaven beside you " So I have to rely on memories and there are so many . I know you and Susan were happy and that made me happy. It's said "only the good die young " and in your case that is too true.

So keep that silly smile and share your nutty jokes up there. As we are left behid will never forget you.

“When i moved to Betterton over 25 years ago I met this silly guy that said quickly I think we are brother and sister. (Last name share). So for the entire time I knew Pork Chop he would refer to me as his sister. I can remember my son being stung by a bee when he was little and I believe it was Pork Chop that administered the epinephrine to him. He was so little and I was nervous.

Evan's was more than a figure in Betterton I would say he could rank up there as an Icon everyone knew him and same goes in Rock Hall but more I think was the impression he left In Betterton. We will miss him dearly and he is now in a better place. Although we won't see each other anymore I will always think of you Evans (Pork Chop) and will see you again brother.

“ Many crazy and wonderful memories of adventures with Evans and Joey Dove when they lived on Ms. Carpenter's Springfield Farm near Reeses Corner Road when we were in our mid-to-late teens. We enjoyed many laughs together riding Joey's minibike and my go-cart (then later my Dad's old GMC pickup truck) all around the farm's dirt roads between their houses. Spent many-a-day getting muddy just being boys using our imagination to entertain ourselves. I am so sorry that our close relationship as teenagers didn't continue into our adult years. From what I have read on this Tribute Wall, I feel that I missed the best part of having Evans as a friend. My heart goes out to his family and friends he leaves behind. Robert Townsend III (Bobby)
