“ On the mornings I would arrive early to work, I would always look to my right and see the warehouse office light on and Shorty at his desk working and greeting me as I walked by. There was a deep emptiness felt a couple of weeks ago when I arrived and the light was off. Shorty's presence will be missed, but I am Thankful to have the light of good memories.

“ *Shorty will be greatly missed! He was a wonderful neighbor, friend and member of the Goldsboro VFC. I will always remember his hugs and kisses every time I saw him. He always stopped in at the house to see if Paul could help him out with his vehicles. We will miss seeing his smile, his laugh and his teasing. My thoughts and prayers are with the family.*

“ Shorty is truly going to be missed. Many times we would sit and talk about the times we are living in. Then the topic would turn to his grandchildren, his face would quickly light up. He loved talking about them and sharing with me their activities in school and out. It is with sadness that I share this, my memory. The good news is this, that he will live on through all those who he touched and in the lives of his children and grandchildren.

Well, "older one" you are now at peace and suffering no more. I will always remember our heartfelt talks and how you were my "right hand" at work. I am so grateful for the wonderful memories during the years that I have been your friend. I value that time more than you know.
