“ *My heartfelt condolences on Bob's passing to all his family and friends. I worked for the American Concrete Pavement Association where Bob was active and passionate about the greater good for the industry. I left there in 2008 and up until moments ago, I forgot about you Bob! As I use a Sanders Saw highlighter to create my rally sign, I feel your presence and know I'm on the right side of history. Thank you for your continued support of my efforts!*

“ Bob was a great friend to my entire family. My father knew and had great respect for Bob from his dealing with Bob at RG Evans and later as customers with Sanders Saws.

I enjoyed any time I had the opportunity to be around Bob usually over dinner and drinks at World of Concrete Conventions.

He will certainly be missed by many of us that have learned good life lessons from our associations with Bob.

I wish his family well. A great man is gone!

“ I am not really sure when I first met Bob. I would guess it was the late 1980's at an ACPA function and most likely with a golf club in his hand. I quickly grew fond of this man that was so keenly focused on quality and service. Very few people in our industry demonstrated Bob's drive. Quite a role model for all of us. In the last few years, Bob's attention was 100% focused on funding for our Highway industry. Federal and State Highway programs were his targets and adequate funding was his non-stop goal. Bob will be missed but his inspiration for our industry will live on in all of us that knew him.

Bob knew that his work was not done but I believe he was comforted by knowing that his followers will pick up the flag and will continue the fight. That is what he taught us. Thank you Bob.

“ *Bob was a great friend as well as a terrific businessperson.*

Bob generously devoted so much time to the construction industry and he made a difference.

What fun it was to be with Bob over drinks, dinner or a round of golf!

I was a part of a company that did a ton of work with Bob and Sanders Saws. Bob provided quality blades, great service and his word was all that was needed.

Simply put, what a great guy!

“ *I first met Bob in 1985 on the Eastern Shore. It was a boating trip followed up by picking crabs. We were instant friends. Since then we have gone on more boat rides and eaten more crabs & corn, played some very poor rounds of golf, participated in association work (ACPA & TCI-PAC), and talked about work, family, politics and life. He was a great mentor to myself and friend to my family. We will miss you greatly. Jamie Van Buren*

“ Deepest sympathy to Norma and family on Bob's recent passing. Bob was a terrific supporter of mine over the years and a most valued adviser on political and transportation issues. He had a great business insight as well as a tremendous sense of humor. He loved "talking politics" and helping to elect pro-business candidates to the State Legislature and Congress. We will greatly miss his wisdom, caring and humor. Rest in peace my friend! Jim Gerlach

“ I remember making Bob several of his favorite beverages at the KIYC bar, Bob always had a smile on his face and a story to tell you to go along with his smile, sometimes you could get a joke or two out of him also. Bob was a great man of many words he was into NASCAR and golf and would always say I'm going to win this week and sure enough Bob would win some of the time but not always, I think he just got lucky a time or two. RIP my friend. (Charlie Hall KIYC)

“ Honored to have known such a great man! My Dad always spoke very highly of Bob in their interactions of buying/selling diamond blades back in the 70's and 80's. Bob was truly a wonderful person. He will be deeply missed. My heartfelt condolences to the Priest family.

“ I was deeply saddened by the news of Bob's passing. I have many fond memories of when he served as Treasurer on the IGGA board of directors. And yes, almost all of those memories make me smile or downright laugh out loud. I very much enjoyed his colorful character.

My sincere condolences to all of you. I will miss "The Pope."
