“ I was fortunate to meet & know Bob when we began our 53rd MSP Class of July thru December, 1964. All of us in the class became a great family. When we graduated we went ot different locations and I Bob on ocassions after after various MSP functions. Life is fragile--we're not guaranteed tomorrow. But we need to celebrate the life of good people such as Robert B Wright. My thoughts and prayers to his entire family.
