

Roberta S. Jensen

December 23, 1939 - April 22, 2013

Roberta Sue Jensen of Stevensville, MD, died Monday, April 22 at Mercy Medical Center in Baltimore. She was 73.

Born on December 23, 1939, in Upper Darby, PA, she was the daughter of the late Percy W. and Dorothy Lawrence James. On April 9, 1960, she married William P. Jensen, Jr. Mrs. Jensen worked for the Department of Natural Resources as a Program Manager. She loved going to Florida and sitting on the family's deck to watch the birds and boats. Her greatest joy was spending time with her family.

She is survived by her loving husband of 53 years, William P. Jensen, Jr.; her son, William P. Jensen, III, and his wife, Teri, of Garland, TX; her daughter, Suzanne Jensen Morgan and her husband, Paul, of Winchester, VA; and her granddaughters, Clare Morgan, Kelsey Morgan, Melissa Morgan, Bryn Jensen and Hope Jensen; and was preceded in death by her sister, Ann James.

Friends may visit with the family on Saturday, April 27 at the Fellows, Helfenbein & Newnam Funeral Home, P.A. in Chester, MD, from 2-4 p.m.

Memorial contributions may be made to the charity of one's choice.

“ Sue and I worked together during my years with the Maryland Park Service. She helped me do things the right way, throughout my career, and especially when I served as the Director/Superintendent. When I worked in the field as a park manager, I could always rely on Sue to give me the right answer and I could count on her advice and guidance as the right thing to do, every time. She worked through a lot of change over the years, and helped us make it work. She sure witnessed plenty of bad decisions and kept things working in spite of the difficulty. My sympathy and best wishes to her family. I wish her years in retirement could have been longer.

“ To family and friends:
Acts 24:15 is comforting because it helps us look forward to a time of being reunited with our loved ones. May the God of all comfort keep you under his protective pinions during this difficult time.

Sue and I worked together for many years supporting the MD Forest and Park Service. She loved her work and she loved working with the "people in the field". She was a wonderful friend and co-worker and the department was never the same without her.

I wish that her family could have had her love and presence for many more years but she will live as long as she lives in their hearts.

My deepest sympathy to Pete and her wonderful children and grandchildren. I know of her deep and unending love for her children and grandchildren as we spoke of them endlessly.

Mary Ann Peddicord

I met Sue when I came to work at New Germany State Park and Savage River State Forest in November 1986. She became my greatest mentor. Sue knew everything and if she didn't know (which was rare), she found out. She didn't find out weeks later, she found out in a very efficient manner. She was a great friend to us "in the field" people. I always knew I had a genuine friend in her and she always supported us. I know when she retired, there really was a void. I so agree with Mary Anne Peddicord that after she left, things were not the same. I feel that same emptiness today as I did the day she retired. She truly was a wonderful woman and I will miss her. God bless Pete and family and I pray that God's loving arms surround you all during this truly difficult time. May our words give you all an intimate perspective of what she meant to so many at DNR.

I met Sue when I became manager of Cedarville NRMA she was very helpful in helping with purchasing and contracts. She was on I could go to for good information and advice. Sorry I have not been in contact since retirement. She was a dear friend.

I worked closely with Sue's beloved husband, Pete, during my stint in the Office of the Secretary, Department of Natural Resources. Pete was the Deputy Secretary at the time but he was the individual who held the entire history of the agency and had the skill, intellect and knowledge to run our scientific-based department. When Governor Ehrlich won the Governorship and Pete Jensen was made Deputy Secretary, our department functioned as an integrated and professional agency with his wealth of superior knowledge and guidance. The entire agency would have faltered without Pete. I learned quickly to pass everything through Pete FIRST. All of DNR had the highest respect for him. It saddens me to hear he has lost his marital partner after 53 years of marriage. While I never had the privilege to work with Sue, I know so many others who admired her. My heart goes out to Pete during this very sad time in his life.

*Pete and family,
I was very saddened when I learned recently of Sue's passing on. I also worked with Sue while working for the State in the "Take the Drug Free Trail" program. I remember having many lunches with Sue and Mary Ann. Please know that you are in my thoughts and prayers during this difficult time.*
