“ Matthews Family- please accept my sincere sympathy in the loss of Bud. I worked with him when he and Bill first moved to the Eastern Shore and our Department continued to work with them until Bill's illness prevented him from providing his care. I still enjoyed my visits with Bud at the nursing home- he never forgot me- not sure if that is good or bad. I know Bill was waiting for him and it brings me comfort to know they have been reunited- they were quite the pair! May you find comfort and peace in fond memories. My prayers will continue for your family as the days ahead may be difficult.

Fondly,
