“ Just wanted to let you know we are thinking of you all. I remember a time a customer said he got an estimate to have floors refinished from a guy wearing cut offs and barefeet. The customer said he was a real nice guy but is he any good. We laughed and said yep, one of the best. That was Mitch he was who he was, you had to love him.##imported-begin##Beverly and Tink Blakeney##imported-end##

“ dear Penny, What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why Mitch left this earth so soon or why he left before you were able to say good-bye. But little by little, you will remember not just that Mitch died but that he LIVED. And that his life will give you memories too beautiful to forget. God bless you and your children and Bobby, Bonnie, Ginny and Tater.##imported-begin##Betty Ann Glenn##imported-end##

“ To All of Mitch's Family; I cannot fathom the difficult time you are going through nor the confusion, the pain, and the questions as to why. Please know that my heart bleeds your pain. I knew Mitch and Bobby as brothers, not as Father and son. Mitch was talented in the field that he worked in, i know that 1st hand. Penny & Bobby, if there is a need you have that i can fulfill please call on me. I will be there for you to try to lesson your pain. Although i have not had the fortune of knowing all of your family, my prayers and thoughts of healing are with all of you during these tough days ahead.
