“ To my beautiful sister

*Do not stand at my grave and weep, I am not there,
I do not sleep.*

*I am a thousand winds that blow, I am the diamond
glints on snow.*

*I am the sunlight on ripened grain, I am the gentle
autumn rain.*

*When you awaken in the morning's hush, I am the swift
uplifting rush of quiet birds in circled flight.*

I am the soft star that shines at night.

*Do not stand at my grave and cry, I am not there,
I did not die.*

“ Robin was my dear sister in law's little sister. I met her when I was about 16, when her sister, Leigh, and her whole family, became part of my family. Robin is a person I will always remember as smiling and embracing life and family. She will be remebered with love.

“ I loved my day wife she was awesome she taught me a lot but the greatest thing ever is when she found Jim I have never seen her more happy. She will be missed but my life was enriched just by simply knowing her

“ Robin was an awesome friend and mentor at the phone company. She was always looking out for us newbies. Later on she was the lollipop lady at the bank to my son. She loved talking about island life, watching her husband surf and the cats she was feeding or the about the ground hog under the shed. Her memory will always be with us.
