“ *Dear Cornick and Starken Families,
My sincerely sympathies to each and everyone. I was so sadden to hear of her passing. Robin and I were childhood neighbors. My memories include waiting for the bus on the grass at Floyd Bells for Kindergarten. Helping her w/ homework and then watching Star Wars. Our household didn't have cable. Finding out about real butter. I always remember he toast tasting so much better then ours. Then I realized we had blue bonnet not butter. Listening to Hang on Sloopy, She Loves you and a few other 45s on her turn table upstairs. We had the best time as kids!
I am wondering if you could share as to what took Robin's life at such an early age.
Thank you and blessed be Robin's memory. She will be truly missed.
