“ I never had the chance to know Robyn, but I feel like I did from all of Ben's posts.

She is out of pain and in God's loving arms now. The pain is now ours.

I pray that your lifetime of memories help to heal your hearts and smile when you think of her.

“ *Robyn was one of the most trustworthy and faithful friends a person could ever have and I'm going to miss her so much. The days were too short for those of us left behind. But I know we can lean on God's promises through our faith in Jesus Christ and know assuredly, "to be absent from the body is to be present with the Lord". We will meet again...by and by on that beautiful shore!! We will meet again and worship the Lord!*

“ *Robyn was a light to all who met her. Her faith and trust in God was evident in everything she did. Up through her final month she was leading a small group study at our church. My tears are selfish tears of wanting more time to get to know her, but also tears of joy for her eternal life free of pain and illness.*
