“ Sorry, to hear of Roger's passing. He was a very nice and cordial person. I got to know him and Rena at their first bait and tackle store in Chester which I visited many times mostly to chat with them and buy more stuff I did not need. Condolences and prayers to Rena and family.

“ Roger will be greatly missed by his many friends and his family. I feel so blessed to have had some fun memories with the Dye family. Probably one of my favorite is the famous VCRs that Roger and Bert purchased. I am not sure anyone else on Kent Island owned this kind of technology at the time. The only place to rent movies was in a store in Parole. They would take turns renting and sharing with each other. Those two had so much fun!
