Mr. Gsell was born on February 4, 1936, in Chestertown, MD, the son of the late Silver and Alice Morris Gsell.

He loved his family and enjoyed spending time with all of them, but there was a special appreciation for his grandchildren. He enjoyed his animals, especially caring for his cats and dogs and chickens.

In addition to his parents, Mr. Gsell is predeceased by sisters, Laddy Good, Ruth Heinefield, and Cecilia Butler, and a brother Silver Gsell, Jr.

He is survived by his wife of 58 years, Isabelle Smith Gsell; three daughters, Peggy McIntyre of Crumpton, MD, Penny Wallace and Sandra Gsell both of Millington, MD; a son, Roger Gsell, Jr., also of Millington, MD; a brother, Paul

Gsell of Crumpton, MD; eight grandchildren; eleven great-grandchildren; and four great great-grandchildren.

Funeral services will be held at 12PM, on Thursday, January 11, 2018, at Fellows Family Funeral Home, 370 W. Cypress St. Millington, MD, where friends and family may call after 11AM. Interment will follow services in Asbury Cemetery, in Millington.

“ My fondest memories of uncle are at the farm in Church Hill. He taught us so much about cars, hunting, and most of all work. He taught me how to shoot a rifle for the first time. My shoulder still hurts. He did not such much but he had a way of letting you know he cared. I don't know how many cars he just gave to my mom. Thts the kind of person he was. I always gave him a big Hershey Bar for Christmas and he loved tht. As a child I lived many years in the household with uncle and aunt Isabelle and as far as I knew I was just another one of the kids. To my cousins all I can say is go to god and find your peace in knowing tht he did what he had to do here on this earth. He has left his legacy in you and yours and he is now home. Love you family.

“ *The memories I have of Uncle Roger are decades old but just as vivid as yesterday. I sure was hoping to see him and pull his nose the way he did mine so many times when I was little! To the family: I am so sorry.*

“ *So so many memories I have of my pop-pop way to many to list I'm just gonna miss seeing him sitting in his chair at the kitchen table whenever I went there, and you better not be sitting in his seat! Nobody ever had to knock you could just walk on in him and mom-mom invited everyone in with open arms and offered you something to eat and a cup of coffee. I love him and mom-mom both soooo much! Thanks everyone for the support*
