“ *Roma Miller was one great lady. By the grace of God I was able to know her for over 50 years. I knew her through my Mother, Margaret (Peggy) Gray. Even though they lived over several hours and many miles away Roma was my Mothers best friend. When Roma lived in Sewickley, Pa is where they met over 70 years ago. Ever sinse Roma moved away they would get together at least once a year up until my Mother passed away in July of 03. Roma was always great to my Mother, to myself and to anyone that she came in contact with. I always enjoyed visiting her with my Mother and in my older years with my own family. She will be dearly missed and always be remembered in my heart.##imported-begin##Patric S Gray##imported-end##*

“ Roma and my Mother, Peggy, were very dear friends for many years. They became friends when they lived in Sewickley and remained close friiends until July of 2003 when Mother passed on and I am sure is welcoming Roma with open arms now. Their's was a truly special friendship. I remember as a child and adult spending wonerful times with Roma, Barbara and Joan in Lanham, Kent Island and DC. Although Roma will be sadly missed, it comforts me to know she and Mother are together again.
With much love to Barbara, Joan and their families, Peggy Czartoryski##imported-begin##Peggy Czartoryski##imported-end##
