“ *My prayers go out to Mr. Horney's family and friends. I came to know this family through my dear friend since high school days, Connie... Mr. Horney's joy for life was contagious, and being in his presence always made me laugh. His love for his family was great, and one of his last messages to me was, "Take care of my baby girl..." May his kindness and joy for life surround all who knew him.*

“ *The angels looked down from heaven one night, they searched for miles afar, and deep within the distance they could see a shining star. They knew that very instant that the star was theirs to gain, so they took you up to heaven, forever to remain. Look down on us from heaven. Keep us free from hurt and pain. You'll always be within my heart, until we meet again. Miss you very much and will miss our convertible rides! You always put a twinkle in my eye, Hon, love you forever, Aunt Debbie*

“ God looked around his garden
And found an empty place.
He then looked down upon the earth,
And saw your tired face.

He put His arms around you
And lifted you to rest.
God's garden must be beautiful,
He always takes the best.

He knew that you were suffering,
He knew that you were in pain.
He knew that you would never
Get well on earth again.

He saw the road was getting rough
And the hills were hard to climb.
So He closed your weary eyelids
And whispered “Peace be thine.”

It broke our hearts to lose you
But you did not go alone...
For part of us went with you
The day God called you home.

“ *Dad I always looked up to you! You were my hero, my best friend and my Rock. I always said I have the coolest dad ever! I will cherish all the memories from riding the Harley with you since I was a kid to giving you whiplash when you taught me how to drive a stick shift! You were always there for your children grandchildren and great grandchildren! I miss so much stopping by to check on you ever day and hearing my phone ring getting my daily calls from you. I loved watching the Ravens and Orioles games with you. I could not ask for a better father and friend. Love you and give Brenda my love.*

“ *Ronnie was always kind to Bradley, David and Me. When Bradley, at 14, went to work at the Acme store, time when you carried the groceries to vehicle and received tips, Ronnie told Bradley, "always smile and be polite" to everyone and your pockets will be heavy at the end of the day. Brad followed Ronnie's foot-steps and retired from Acme. I always enjoyed seeing Ronnie at our Stevensville Alumni events, he enjoyed attending and seeing everyone. Prays to Ron's family and friends....Nancy LEWIS, Hall*

“ Mr Ronnie was one of the greatest men I knew. We were lucky to have him in our lives. He had the biggest brightest smile. Mr Ronnie was like a second grandfather to my son, Logan. He called Logan his buddy. We know he is with Paul, his best friend (Logan's pop pop) up in heaven being onery. Logan says they are drinking heavens beer. That makes me smile. Rest in peace Mr Ronnie we love you.
