“ *I can't express enough how great the memories of Ron are. He spent most Saturday mornings on our porch sitting for hours with Butch. They would share the world news, share opinions on anything and everything, gossip like little old ladies, talk of the neighborhood happenings, share jokes, pick on each other, etc. With me being in the house and them on the porch, I would hear such bursts of laughter, Ron would get coughing spells from laughing so, hard. Oh the memories! Butch will miss him so much. As a matter of fact we both will. We've spent many special times with both Ron and Maggie. Special people.*

“ Ron and I became close friends when I moved next door to him in 1977. We were a couple of single guys and had a lot of good times together. He loved to go wherever there was a good band and dance. We spent many hours waxing our cars and having a cold one (or two). I'm guessing he's cruising around in his 1967 Buick Wildcat Convertible (AKA "Old Gold"). It was his all time favorite car. Love you Ron. Prayers to Maggie and the family he was so proud of and talked about whenever we were catching up.

“ *Mr. Watson, you were always a pleasure to see and talk to. When you would come into Easton Bank & Trust you would always find me to say hello and get a hug. Your smile would light up any room and always made a person feel special. When I last saw you on Friday, it was a joy to see your eyes light up when I walked in the door. It was great sitting and catching up with you. Even then the conversation was great and when I left, I left with a huge smile at the cute "compliment" you gave me that had Julie and Robert blushing. Thank you for being you. You will forever hold a special place in my heart. Prayers for Mrs. Margarette and the rest of the family. Heaven has truly gained a special angel.*

“ *Our hearts are so heavy this morning as we read of the passing of one our favorite people - Ronnie. Charles worked with him for many years at Waverly/Cadmus. During this time they created a father/brother bond. As Charles' wife I was always greeted with a hug and and a "how ya doing darlin". May he rest in peace.*

*I worked at Waverly Press from 1973 to 1993. One of the first people you meet and get a chance to talk to is Ronnie Watson. He had a great personality and a great sense of humor. He was a great friend. After I left Waverly, I would see Ronnie from time to time around Easton and we would talk like we haven't skipped a beat since the last time we saw each other. Ron was a good man and he will be missed!*

*I departed Kent Island in 1957 and rode a train to Lackland Air Base in Texas along with Ron. I did not know him., but remembered him. and then lost track of him until the last 12 years. It has always been a real joy to meet with him and chat. He could keep you laughing for hours. He is going to be missed by so many of his friends and I know I will miss his contact on Facebook almost daily. He was certainly one of a kind that was always happy and make others happy.*
