

## Rosalie Wargotz

December 21, 1927 - February 3, 2022

Our loving mother, grandmother, and great-grandmother, Rosalie Wargotz, passed away on February 3, 2022, at age 94. Among her many life experiences and accomplishments, she treasured most her 60-year marriage to her husband Bernard who passed in 2014. In her remaining years, she continued to adore her three children, six grandchildren, and one great-grandchild.

Her story began with her birth in Roxbury, MA in 1927, and her childhood in Brookline, MA. Upon graduation from high school, she attended Portia law school, founded in 1908 as the only law school in the country exclusively for women (coed in 1938.) Her interests took her elsewhere and she pursued a career in science as a radiation research lab technologist in the sub-atomic particle labs assisting world-renown physicists David Ritzen, Robert Marchak, and others at the University of Rochester Physics Department. Their recognition of her work, as acknowledgements in many of their published works, always pleased her greatly. One of the highlights of this time for her was as a participant in atomic energy commission meetings including the "Girls of Atomic City."

Rosalie had a very generous heart and, in addition to raising three children with Bernard, she enjoyed traveling the world and spending time with many dear friends. She loved acting in community theatre in the 1960's and later

held a variety of positions including being a beloved Sunday school teacher and an astute antiques dealer.

Rosalie Wargotz lives on through her daughter Fern Wargotz, B.S.N., R.N. (James C. Christy III); sons, Judge Eric Wargotz, M.D. (Cheryl-Ann née Lee-Llacer) and Michael Wargotz, C.P.A., M.B.A., (Laurie née Block); her six grandchildren, Erica Walker (husband Kyle Brosius), Jessica Walker, Jacob Wargotz, Samuel Wargotz, Leila Wargotz, Brian Wargotz; and great-grandchild Ruby Walker-Brosius --all who miss her dearly.

The funeral service will begin at Fellows, Helfenbein & Newnman Funeral Home, P.A., Easton, on February 13, 2022, at 10:00 am, with a graveside service to follow at the Oxford Cemetery. Rabbi Peter E. Hyman of Temple B'Nai Israel in Easton, MD, will perform the service.

“ From Peter Dressner

*Lee was like my second mother when I was young. All my memories of her are good ones. She was a wonderful person in every respect. I last saw her a few years ago, when I was in Florida and took her out to dinner. She was still the same person, sweet and forgiving. It was fun going out with her. I had to convince her to get into my rented convertible, but she finally relented and got in. See picture.*

“ To Fern and all the family please accept my heartfelt sympathy for the loss of your mother, grandmother and entire family. I had the pleasure of meeting her through Fern working at Easton hospital. I do remember her coming to my rescue one time to bring a key over as I had locked myself out of the house after walking Cody, Fern's dog.
