“ *I only knew Rose for a short time. Her sweet gracious smile and personality was unforgettable from the first time we met and talked at her kitchen table. about dumpsters of all things. Just wanted to share that I started the zinnia seeds today from the flowers she gave me. Thinking of her and her smile made me smile. As I do every time I look at a zinnia. Thank you Rose!*

“ *Please accept my heartfelt sympathies in the loss of your dear loved one. How comforting in knowing Almighty God has not only the power but also the desire to resurrect our loved ones. Jesus himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." John 5:28,29*
