“ The Andrew Family,
We are thinking of each and every one of you at this time. It is hard to say any words that will make the pain go away, but know that Mrs. Rosie is at peace. I know she was thankful to have all of you there by her side as you were her strength and comfort. Call each other daily and keep your family and friends close as they are the best ones to talk to at this time. Hugs to all of you.

“ Kenny and Family, I know your hearts are broken. Rosie was so special. She worked hard at everything she did and always found humor in it. . I cherish the times when she taught me to paint and I had to go to your house for "some extra tutoring" . She worked hard as a 4-H leader, too. She will be missed so much.
Love and deepest sympathy,

Whenever Rosie and I did see one another although it wasn't often she was always very nice and took time to chat awhile. God has truly received an angel and I am sure her and Uncle Teddy are reuniting. Hold tight to your memories and lean on one another she will always be with you. Sending you hugs and prayers*

Thoughts and prayers to the family. God has received a true Angel. It was an honor to work with Rose and share many "critter moments". But more of an honor to take care of her. She will be truly missed. Til we meet again Rosie.

My thoughts and prayers are with your family during this time of sorrow. Rose I'm going to miss you so much. God received a very special Angel and a very special friend of mine. We had such good times together on night shift and such great memories to remember. I might not be able to see you but your presence will always be there in the center with us. We all love you and you will never be forgotten. I love you girl.
