“ *I know you are with Pop now that he is there! I miss you both! Just today mom bought a box of those small circle bandaids and I thought of you and how we had to give all of ours to Pop to put on your face so you wouldn't pick at the scabs at dinner (that showed up if you even just hit yourself putting your glasses on). The funny thing is that we are just now replacing them after the three years you have been gone!*

“ To the Baynard Family, our deepest sympathies go to each of you. Aunt Rosemary was so kind to many of us. She was very successful on all her many contributions, as a mother, wife, sister, aunt,..... she touched so many. Her patience and love for those she loved back in return will always be a reflection of who she really was. May the many cherished memories bring peace to all of you. “ Dear Bruce, Shari, George and I are so so very very sorry for the loss of your mom. I had intended on coming to her service, however late last night FEMA called and I will be deployed on Wednesday morning for 30-90 days.  
Shari and George left on vacation two days ago.
