“ *We went to a Halloween party at Kathy's house, my late husband and I. We had the best time talking and she was so warm to us. We talked and talked! What a wonderful person. Over the years, we communicated on FB and laughed. She truly loved her daughter and grandson! She always seemed young at heart, would have never guessed 81. She was a beautiful lady and will be missed. God Bless you Kathy and family!*

“ I'll never forget the day I met Cindy and Kathy, 22 yrs ago in Kmart. I turned and bumped into them, and I was eight months pregnant with my daughter Chloe. I think I scared them a little bit by how big my belly was ...from that moment on, we became friends. With all my family in Canada, Cindy was like my second mom. I confided in her, and she gave me a lot of good advice over the years. I will miss-her dearly. 😭❤️☐ Alexis SABO
