“ I can still see Rose taking loving care first of Rosetta, her grandmother, then her Mom, and finally her Dad. Never complaining, always kind and giving. She was my daughter's sister-in law and we had many friendly visits to her house. I only wish to have her selfless compassion.

“ My dear friend, I miss you so very much. Working here at PNC will not be the same without you. You were my friend, my shoulder when I was sad, or mad and needed to vent. We shared so much, both good times and bad, secrets that were between us, and private jokes that only we understood. I am sorry that we never got to take the road trip we talked so often of. We will never sit on the balcony of the house on the shore by Tony's, and let life drift by us. I guess the picture you gave to me will have to do. When I come to Maryland, and look out over the water, and see the sea gulls fly by, I will think of you. I have so many fond, happy memories of you. I will miss our friendship, long talks, your laugh and silly side. I will cherish those thoughts forever. Thank you for being my friend. I love you, Rose.

“ I'm Free
Don't grieve for me,
for now I'm free
I've left behind some misery,
My days of youthful agility,
Were no loner a possibility,
My weak joints and cloudy eyes.
Were longing for the heavenly skies.
Before I lost all dignity.
You let me enter eternity.
Don't grieve for me.
You've set me free
Just remember how I used to be

“ My deepest condolences to my best friend Trish and her family during this difficult time. I first met Rose about 5 years ago and immediately felt comfortable around her as if I knew her for years prior! She will be missed in so many ways. For her caring ways and sense of humor as well as her devotion to her family. For the past 8 months I spoke with Trish regularly checking on Rose and I felt as though I was getting to know her even more. Rose was very fortunate to have such selfless children as Tony and Trish to care for her and to give her the best quality of life during her final months. I truly believe that she is at peace now and no longer in pain. Rose and her family is forever in the hearts and prayers of myself and my family.

With deepest love and sympathy,

“ I met Rose 16 years ago. She & I sat in the same area. One of my memories was a group of ladies got together and decided to throw me a surprise baby shower. Rose was one of those ladies. Rose gave me a beautiful handmade crochet blanket. When my daughter got dedicated that blanket was used. I have it packed away so that my daughter can pass it along to her child one day.

Rose was a special lady. She will be missed, she won the heart of my grandson by giving him a chocolate tootsie pop and then she went and bought him a whole bag. Rose was loved here at the Loan Center, we were her other family. She spoke of her son, his wife and the girls always. They were the love of her life.

Rest in Perfect Peace God's precious angel. To the family you have my deepest sympathy.

“*Tony Trish and your sweet girls, I was so saddened to hear of Rose's passing. My prayers and thoughts are with you all. She loved you both and Jackie and Alex so very much. You have to hold on to those good memories, as Rose had such wonderful stories to share of her visits to Delaware.. You truly have a guardian angel watching over you. Rose was not only my dear friend, but a co-worker of 19 years. Rose will truly be missed by so many of us here at PNC Bank. She was a friend to many, respected by all. May God Bless you all at this very sad and difficult time. You are in my prayers.. Find comfort in the fact that your sweet mother(grandmother) is now sleeping with the angels.. “ Rose was my supervisor, and I cannot express how much I will miss her. We shared family stories and got to know each other over the years. She loved trips to Maryland to see Tony, Trish and the Girls (as she fondly called them) ...they were her World.
I will miss her robust laughter and the friendly sarcasm we tossed back and forth to each other with a grin. Rose is an Angel in Heaven, that I have no doubt. Rest in Peace, Boss Lady.
