“ What a beautiful video tribute of Mr. Labs. He had such a great smile. It reminds me of a story that Kathy shared years ago that he would sometimes be on a very important work phone call and while the other person was talking, he would dance around and make funny faces and only got serious when he needed to respond. He must have been a lot of fun to have as a Dad, Husband, and Grandfather. We hope that your many happy memories help you smile through the tears. Love to all of you.

Beautiful video. It was especially heartwarming to see all of the old family photos over the years of the family, kids, and grandkids. I am sure he is radiantly smiling down from heaven in love and pride on you all. I like the photo of him alone on your back yard deck with the pier and water behind. I particularly love the photo through the tree leaves of Mr Labs and his son walking together in the distance. It speaks volumes of fatherhood on this day. Can't wait to hear more stories. Love you guys!

“ *We have been neighbors with Roy and Lois for almost 15 years. I remember Roy's smiles and joking remarks to me as I worked in my front garden. I also remember Roy's kindness as he always shoveled our front walkway every time it snowed. Rest easy, Roy, you were a wonderful neighbor.*
