“ *I am very saddened by this news, Ive been gone from home for a long time and havent made it home to anyone in a very long time. But Aunt Ruby was always in my life, and she will be missed deeply. I am very so for the families loss, Ive been through too many times myself. My Uncle Carl was the greatest Uncle anyone could have and I miss him so much also. Uncle Carl and Aunt Ruby, you are missed here, but you have now gone home! I love you both with all my heart, and hold the memories of my childhood dear to my heart. Carlea, Kenny and William, my deepest sympathies to you, if you need to talk I am also here for you! Love you all!*

“ I had the pleasure of being by my Dad's side when Ruby was in the barn to test milk. In middle school I had the pleasure of meeting her son, William. My thoughts are with your family at this time. Josephine States
