

Russell Warren Agreeen

June 23, 1946 - October 7, 2024

Russell Agreeen, 78, of Denton Maryland died at the Compass Hospice House in Centreville, Maryland on October 7.

Russ was the middle of three sons born to Annemarie and Milton Agreeen on June 23, 1946 in Englewood, New Jersey. He grew up in a loving home in Dumont, New Jersey where he graduated from Dumont High School in 1964. He then went on to pursue a BS degree in mathematics at Drexel Institute of Technology. Drexel was a five year cooperative program and during his third year his cooperative assignment took him to Goddard Space Flight Center in Greenbelt Maryland. While on assignment in September 1967 he crashed a freshman dance at the University of Maryland where he met the love of his life, Linda. Upon Linda's graduation they married on June 26, 1971.

A contractor at Goddard recognized Russ's talent and offered him a position in his research group at NOAA. This is where he spent the majority of his career writing computer code to analyze satellite data to study ocean currents and earthquake faults.

Russ retired from NOAA in June 1996 when he and Linda moved to their current home in Denton as full time residents. It was the Caroline Country Club that really lured them there as they both enjoyed playing golf. Russ enjoyed playing pickup basketball but he mostly enjoyed doing things with his

wife Linda. This included hikes, cross country skiing, golf, sailing, playing bridge, watching sports, and travel. After his Parkinson's diagnosis, this also included Rock Steady Boxing.

Russ is survived by his wife Linda of 53 years, his brother Robert, 3 nieces, 5 nephews, 3 great nieces and 2 great nephews. He is predeceased by his parents Annemarie and Milton Agreeen, and his brother Bruce Agreeen.

A Funeral service will be held at 12pm with a visitation being held from 10 to 12 at Fellows Helfenbein and Newnam Funeral home located at 408 south liberty street on Friday October 18th.
