“ *Eldon, Ashley and Bubba. May God bless each of you. Sorry I could not make it to the services, but I am sure that God gave you strength to get through it.. There will be many lonely times that you will face, but just know to call on God and he will strengthen you. Just know that even though your wife and mother was not healed on this side to enable her to stay here awhile longer with you, does not mean that she was not healed. She is healed on the other side. No more pain for her anymore. God bless and take care. Think of all the good times that you all shared together. That will get you through. Love to all###imported-begin##ARLETT

“ *Though I only worked with Ruth for two elections, as an election judge, as a sister of a family of five siblings, I can only imagine the heartache associated with losing one of them. Also, it was only 6 months ago that I lost my father, so I know your grief. I pray that God heals your hearts and grants you peace.*

*My very best to all of you,*

*Sincerely,*
