“ *I met Ruth in the 70's when I first got to know the Chris Beiler family - and had a small birthday party for Katie. Mrs. McGuire was a good friend to Katie - and I do believe she came to the party (at the Beiler's home) I instigated during the daytime one of those years on March 18th. She was such a nice person and really loved Katie Beiler (who was very loveable!).*
