July 29, 1929 - September 18, 2019

Ruth Anne Normandy Miller died September 18, 2019, in Queenstown, MD. Born July 29, 1929, in Washington, DC, her Quaker roots and abiding faith saw her through the joys and sorrows of 90 years.

Her artistic talents, creative spirit, and life-long love of learning are gifts she shared with all those whose lives she touched. Her gentle presence will be missed by her family and friends. Even though we can no longer see her face or touch her hand, we will hold her love in our hearts and hear her voice in our memories.

If you wish to make a donation in her memory, please consider your local hospice.
