“ *She was a very sweet and gentle soul. I remember her in the QACHS band where we played many tunes together. We shared the class of 1983. She was very talented and after reading her obit I see she went very far with her education and career. I am sure she's playing music with angels. I'm so sorry to hear of her passing. My prayers out to her family and friends.*

“ *My wife and step daughter with Ruth during a Thanksgiving dinner she, Steph and Cassidy all helped make. It was one of many dinners or bbq's we went to. Ruth, you always cared more about others then you did yourself. Fly and teach other angels to play the piano.*

“ *My husband, Freddie and I were in marching band with Ruthie. Ruth and I both started out playing flute; we then both switched to low brass, me on trombone and Ruth on tuba. Freddie also played tuba. They were the dynamic duo! He had so much respect for Ruthann as a musician and a friend. Ruthie and I were in many of the same classes. We got to know each other and became close friends. Freddie and I reminisce about band and our conversation would always turn to "I wonder where Ruthann is?". We'd recently reconnected on Facebook...and now we're in shock that she's gone. Freddie and I will always remember Ruthie and the impact she had on our lives. Thank God for her life and friendship.*

“ My dear cousin Ruthann had a generous heart and was a very caring person. She was very smart. Math and music were two talents that she shared through teaching, singing, and playing instruments in school and at church. She often provided me transportation to get to band and church events. I learned a lot from Ruth. Her sense of humor, smile, and laughter are wonderful memories. Aunt Cindy said that she was always very good to her and that she would never forget her. I am very thankful to Ruthie as my go-to person when I could not reach Mom. Ruthie was reassuring and advocated for mom by calling the phone and power companies during those windy Eastern Shore storms. If Ruth couldn't check on her, she would ask a friend to drive over to her house to make sure she was okay. Ruthie will be forever missed, never forgotten. Sending my love to the family, you are all in my thoughts and prayers. My best, Peggy O'Neill Rohr and Chris, Joe, and Elizabeth

“ Ruth was a special friend to me and my daughter Cassidy. We met her 14 years ago at the Washington College pool where we all swam together. We became very close friends quickly. She had a heart of gold and would give her all to help others. My heart is broke and things won't be the same without her. The world has lost a saint but heaven has gained an angel.

“ Ruth and I worked together at USA. I have to say though, I did not know half of all the wonderful things that were written about her Life in the obit. What a truly wonderful life she seems to have led. She seems to have touched so many hearts by the tributes. I am grateful for the short time of knowing her, always such a sweetheart at work. I am sure the USA family is missing her. Prayers for the family in their time of need.

“ Ruth was my cousin, I remember seeing her every family reunion back in the day. Ruth and I hung out as young kids, my favorite memory of her....I was able to spend a week at her house in Maryland. I remember us swimming, visiting cow farm, playing in her room with dolls and reading books.
Love and Prayers to the rest of the family during this difficult time!
