“ *I hadn't seen Susan for many years until my Mom became a resident at Homestead in Denton. She was so wonderful to my Mom and even went out of her way to buy her little things. I always enjoyed talking with Susan. I moved my Mom so I didn't know she had passed. Thanks Susan for being so caring to all of your patients. Heaven certainly gained a very special angel. ❤️*

“ *Susan took very good care of my mom while she was at Homestead. She often talked with mom and our family when she came into the room. Mom saw her not only as her caregiver but her friend. I am thankful they got to share their lives and become friends. I'm sure Mom greeted her in heaven and they are catching up. Thank you Susan. May you rest in peace.*
