

Sabrina Sulaine Bennett

August 2, 1994 - January 14, 2022

Sabrina Sulaine Bennett passed away unexpectedly on January 14th, 2022. She was 27 years old.

Sabrina was born on August 2nd, 1994 to Ronald Bennett and Michelle Bennett. She grew up in Stevensville, Maryland where she attended elementary, middle, and high school. Sabrina was always up for an adventure wherever she went. As a child, she loved to spend time on the beach building sand castles and playing in the waves. She was rarely seen without a smile accompanied by her big dimples that many loved. At a young age, Sabrina tried a variety of different activities but it wasn't until her high school years where she discovered her love for art and music.

Sabrina will always be remembered as an independent, care-free, and loving person. As Sabrina entered adulthood, she was never seen without her beloved dog M.J. She loved to attend concerts with her friends where her passion for music grew. Sabrina also enjoyed going to the beach to hula hoop and spend days in the sun. A light shone brightly in Sabrina's life when she discovered that she was pregnant with her soon to be daughter, Quinnleigh Raine, at 25 years old. She did everything from then on to make sure her daughter enjoyed every little moment. They enjoyed going to the park and spending time outside together.

She is survived by her mother Michelle Bennett of Glen Burnie, her father Ronald and step-mother Julie Bennett of Grasonville, her daughter who she loved very much Quinnleigh Raine, and her sister Caitlin Bennett.

She was loved dearly by so many people. Addiction is an absolutely heartbreaking battle that will be felt by those who miss her. There has been an outpour of love and support from the people in Sabrina's life, and that love for her may serve as a reminder to her baby girl to know just how special her mother really was. Although Sabrina has left us early to be with our Lord, she has left many loving memories that will be cherished by everyone who she encountered throughout her life.

In lieu of flowers, contributions can be made to Not My Child of Chesapeake Charities and American Foundation of Suicide Prevention.

A visitation for Sabrina will be held on Tuesday, January 25th from 2:00-4:00 P.M. at Fellows, Helfenbein & Newnam Funeral Home: 106 Shamrock road Chester, MD 21619.

We are so fortunate to have met Sabrina and are thankful she and Tyler were positive forces in each other's lives.

“ *Deepest condolences to the family. As a friend of our son, we met Sabrina when she was 12 years old. She was bubbly and beautiful and had a natural sparkle that just radiated from her. I last saw her when she helped celebrate my birthday and she was joyful and happy and full of laughter. That is how I choose to remember her. God bless you, Sabrina. I'll bet you're dazzling Jesus with those dimples. Laurie White*

“ *My condolences to all family and friends. I am grateful to have known such an enchantingly beautiful free soul. She would make anywhere she went more lively. She loved meeting new people, getting out and going on adventures. I think she would like to be remembered forever young, wild, and free.*

“ When we first met Sabrina about 2 years ago she was concerned about the homeless and was collecting gloves for them in the winter. We got to be with her in a small Bible Study group and hear how Jesus had come into her life. She shared good insights to God’s word and made us think. Then came Quinnleigh! Having a premature baby in the hospital was hard, but after Quinnleigh came home we got to see how Sabrina faithfully did physical therapy with her and we could see the progress. We have been blessed to know Sabrina. We feel she had great potential. We are sorry for the family’s loss and know that we all miss her.

“ *Dear Ron, Julie and Family*

We are at a loss of what to say. We can only imagine the sadness and heartache.

Please take comfort in knowing she is with the Lord, the healer that takes away the pain and sadness. Believe in his promise of eternal life and that someday you will meet again.

The happy memories will help remind you of her life and help heal the grief and sorrow.

Keep the Faith! You are in our prayers.

“ It really breaks my heart to know you were called home to the Lord as such a young age and right after becoming a mother but it brought so much joy in my heart to watch you become a mother and you was a great one I will continue to carry the memories I do have with you and talks that we had and that beautiful smile 💕 one thing I loved about you the most Sabrina is that you would speak your mind no matter who it was you didn't sugarcoat nothing but on the other hand you would give the shirt off your back you had a very big heart and you would truly be missed 💔☐
